B'tween Cases

Keukentafel sessietunes 1

Voorwoord

Dit boekje is ontstaan tussen koffers en Kezen: wij zijn sessiegroep B'tween Cases.

Geïnspireerd door Ierse Folk met af en toe een uitstapje overzees, samen genieten van muziek maken...het is daarom dat Kees, Jacqueline, Willem en Kees hun keukentafelsessie zijn begonnen, muziek verzamelen, liefst met veel diversiteit en regelmatig oefenen rond de keukentafel.

Er zijn heel wat geweldige boekjes vol tunes waar ook wij veel plezier aan beleven, toch zouden we het jammer vinden als onze muziek niet verder komt dan die ene keukentafel. Daarom dit boekje, als pdf of anderszins, met tunes en sets voorzien van basis akkoorden die uiteraard ook in andere sequenties en aard gespeeld kunnen worden. Niet alle tunes zijn traditionals we hebben er ook hedendaagse tunes in opgenomen die wij mooi vinden om samen te spelen in sessies en we hopen ze vaak en op veel sessies met anderen samen te kunnen spelen

En intussen? Er is aan de keukentafel een stoel bijgeschoven voor Pier, we blijven oefenen en verzamelen door op weg naar een tweede boekje! Ook weer om de vreugde te delen, want dan wordt het dubbel zo leuk.

Kees, Jacqueline, Willem en Kees

Dit boekje is uitdrukkelijk niet voor commerciële doeleinden samengesteld en zal zonodig alleen kostendekkend verspreid worden. Bij de meer hedendaagse tunes wordt in de inhoudsopgave verwezen naar de componist of het arrangement dat we gebruikt hebben.
